Quick Guide (version UK-03)

Basketing races

Prepare the Bricon Club-Master system ready for basketing :

1. Connect the radio-frequency master clock and the printer
2. Connect the power into the Bricon Club-Master (and Bricon Unives-box if necessary).
Some brands consume a lot of power when switching them on, therefore we recommend to connect the power to the Unives box if you also have non-Bricon clocks in the club.
3. The main menu appears on the display of the Bricon Club-Master.
4. Press option 6 in the menu 'Set time' and select 1 'Set time'
5. If you basket using any brand of ETS clock other than Bricon, you must also connect the Bricon Unives-Box.
